

Cairns Obstetrics and Gynaecology  
Cancellation Policy

In the event that you are unable to attend your scheduled appointment, we would appreciate you letting us know at your earliest convenience.

It is the policy of this practice that patients are charged a fee of 50% of the expected fee for missed appointments where the patient has not provided at least 24 hours' notice of the need to cancel their appointment. We understand that emergencies occur and we will consider your circumstances and evidence you may be able to provide around emergency circumstances that prevent you from attending your appointment, if you do not attend for an appointment without sufficient warning.

Thank you for considering the impact that a late cancellation has on our work flow.
